The data are collected from schools at the end of each semester. The data include day courses, evening courses and distance learning. Domicile refers to December during the school year. Age relates to December 31st following the date of graduation, which is a change from previous practise, when age was shown on December 31st following the completion of the school year. Information on journeyman's examination is derived from the Ministry of Education, Science and Culture. Each student is only counted once each school year at each level. The data are published according to the ISCED97 classification of education.
