Students in each school are counted and assigned to school level in accordance with ISCED97 (International Standard Classification of Education 1997).

Each student is counted once, even if he is studying in more than one school.

Students in art schools are only counted when they are not studying in other schools.

The year in the table refers to the first year in the school year. E.g. 2015 refers to the school year 2015-2016.
