Area: These statistics apply the regional division of 1 January 2023 to the whole time series. Data for merged municipalities have been combined. Partial municipal mergers have not been taken into account in the years

Age: Age refers to a person's age in whole years as at 31 December.

Family status:

- Spouse without children: Also includes those in registered partnerships without children and starting from 2017, same-sex married couples without children.

- Spouse with children: Also includes those in registered partnerships with children and starting from 2017, same-sex married couples with children.

- Cohabiting partner without children: Cohabiting couples are formed from persons of opposite sexes aged 18 or over without partners living permanently in the same apartment if their age difference is under 16 years and they are not siblings. If the couple has a common child, the age limits do not apply. Persons of the same sex living together are not regarded as cohabiting couples unless the household-dwelling unit consists of two women who are the biological mother of the child living in the same dwelling and the second mother confirmed for the child (Maternity Act 253/2018).

- Cohabiting partner with children: Cohabiting couples are formed from persons of opposite sexes aged 18 or over without partners living permanently in the same apartment if their age difference is under 16 years and they are not siblings. If the couple has a common child, the age limits do not apply. Persons of the same sex living together are not regarded as cohabiting couples unless the household-dwelling unit consists of two women who are the biological mother of the child living in the same dwelling and the second mother confirmed for the child (Maternity Act 253/2018).

- Child: In the family statistics children comprise the following persons, regardless of age, who live with their parents: biological children, adopted children and also biological children, adopted children and confirmed children of one of the spouses. Foster children and children in the care of the family are not classified as children.

Information: Population at the end of the statistical reference period.
