User-controlled personal assistance/Practical assistance: personal support contact: 1504 Ålesund had significant decrease in number of users, from 166 in 2017 to 33 in 2018. 2018 figur is correct, figures up to 2017 are too high. Also, this implies that figures for the country, counties and KOSTRA group 13 has been too high up to 2017, and that the decrease from 2017 to 2018 is not real.
