: = Confidential. Figures are not published so as to avoid identifying persons or companies.

.. = Data not available. Figures have not been entered into our databases or are too unreliable to be published.

type of household:

Private households consisting of single persons living alone under the age of 18 are not included in the data.

Most of these persons are probably wrongly classified due to errors in input data.

Some may be persons living with adults other than their parents, for instance foster children and persons living in orphan homes.

Couples included married couples, cohabiting couples and registered partners.
