Main income earner - The main income earner is the person in the household who has the highest gross income of the income earners in the household. In those cases where there is no income earner in the household, the oldest person is the main income earner. Student households and children below the age of 18 years who are living alone, are excluded.

.. = Data not available. Figures have not been entered into our databases or are too unreliable to be published.

age: Age is age in years at the end of the year.
