These data are compiled from a database comprising regular students enrolled in an educational establishment. All data include evening courses and distance learning. Each student is counted once. Students are counted and assigned to school level in accordance with ISCED97 (International Standard Classification of Education 1997). The year in the table refers to the first year in the school year. E.g. 2015 refers to the school year 2015-2016.
