Disability benefits includes permanent disability pension, preliminary disability benefits, time limited disability benefits and means-tested child supplement for receivers of time limited disability benefits (from 2007).

For new recipients of transitional benefits for single mothers/fathers from April 2014, the benefits will be taxed as wage.

Student households and children below the age of 18 years who are living alone, are excluded. Couples include married couples, cohabiting couples and registered partners.

: = Confidential. Figures are not published so as to avoid identifying persons or companies.

- = Nil

type of household:
Private households consisting of single persons living alone under the age of 18 are not included in the data. Most of these persons are probably wrongly classified due to errors in input data. Some may be persons living with adults other than their parents, for instance foster children and persons living in orphan homes.

Couples included married couples, cohabiting couples and registered partners.

region: See list over changes in regional classifications (in Norwegian).
