From 2022 the building stock includes completed buildings that are exempt from applying for a building permit, but must be notified and registered in Matrikkelen. As of 01.01.2022 there are 21 281 of these buildings, and over 90% of them are garages/annexes adjacent to dwellings/holiday region:

Svalbard is not defined as a county in the legal sense, but in official statistics Svalbard is treated in the same way as the other counties in Norway.
