Population growth is defined as the difference between the population at the beginning and end of the year. Some of the population increase cannot be explained by a birth surplus or immigration surplus during the year.

year: 2010: The area of Storholmen changed 2011-01-01 municipality affiliation from Vaxholm Municipality to Lidingö Municipality. This affect the population increase for the two municipalities when population growth is based on the population change between 2010-01-01 and 2011-01-01. The number of births, deaths, etc for the area of Storholmen however is included in the number of births, deaths, etc for the municipality of Vaxholm when events based on division 2010-01-01.
