Marriages and divorces are based on all registered residents in Sweden that during the year were married or divorced.

The definition of marriage and divorce changed in 2015. Previously published estimates have been revised for the period 2000 - 2014.

Before 2000 were the number of marriages and divorces based on the number of registered women who during the year had been married or divorced.

0330 Knivsta Since 1 January 2003, a new regional division has been established. Parts of Uppsala municipality have formed a new municipality called Knivsta. 0380 Uppsala Since 1 January 2003, a new regional division has been established. Parts of Uppsala municipality have formed a new municipality called Knivsta. Tabellinnehåll: Region: 03 Uppsala County Since 1 January 2007, Uppsala county has been expanded to include Heby municipality.

Please note that the figures for the county are not comparable with earlier figures. Tabellinnehåll: Region 19 Västmanland Since 1 January 2007, Västmanland county no longer includes Heby municipality. Please note that the figures for the county are not comparable with earlier figures.

If the persons were registered in different regions of Sweden in connection with marriage or divorce, the event has been transferred to the eldest person's region. The same applies if only one of the couple was registered as living in Sweden.

In cases where the partner is not registered in Sweden and the information on sex is missing, it has been assumed that it is a couple with two sexes.

The statistics are based on the legal sex of the persons
