Notes:

[39] Users should be aware that estimates associated with Indigenous languages are more affected than most by the incomplete enumeration of certain reserves and settlements in the Census of Population.

[195] All languages used at work refers to all languages that the person uses in their job on a regular basis.

For more information on language variables  including information on their classifications  the questions from which they are derived  data quality and their comparability with other sources of data  please refer to the Languages Reference Guide  Census of Population  2021.

[196] Language used most often at work†refers to the language the person uses most often at work. A person can report more than one language as "used most often at work" if the languages are used equally often.

n.i.e. = not included elsewhere

n.o.s. = not otherwise specified

For more information on language variables  including information on their classifications  the questions from which they are derived  data quality and their comparability with other sources of data  please refer to the Languages Reference Guide  Census of Population  2021.

[197] Other language(s) used regularly at work refers to the languages  if any  that the person uses in their job on a regular basis  other than the language or languages they use most often at work.

Comparisons to previous census data is not recommended for the ?Other languages used regularly at work? variable.

For more information on language variables  including information on their classifications  the questions from which they are derived  data quality and their comparability with other sources of data  please refer to the Languages Reference Guide  Census of Population  2021.

Data quality:

Northwest Territories

Total non-response (TNR) rate, short-form census questionnaire: 8.2%

Total non-response (TNR) rate, long-form census questionnaire: 10.8%
