0002 occupations unidentifiable	men	3250	3161	3018	349
	women	2016	1940	1907	102

The occupational statistics do not include individuals employed in any of the Nordic countries.

Statistics for reference year 2022 are based on the population by Labour market status (BAS) instead of, as in previous years, on Labour statistics based on administrative sources (RAMS). Comparison of statistics for 2022 against previous years should therefore be done with caution.
