0002 occupations unidentifiable	men	3213	3129	3006	352
	women	1980	1949	1917	104

The occupational statistics do not include individuals employed in any of the Nordic countries.

Statistics for reference year 2022 are based on the population by Labour market status (BAS) instead of, as in previous years, on Labour statistics based on administrative sources (RAMS). Comparison of statistics for 2022 against previous years should therefore be done with caution.
