<sup>1</sup> Refers to persons 15 years and over, excluding institutional residents, who were employed or unemployed during the week (Sunday to Saturday) prior to Census Day, and who had last worked for pay or in self-employment in either 2000 or 2001.

<sup>2</sup> Since there is great variation in managers' background and educational attainment, they cannot be classified according to any of the four occupational skill groups shown in the table above.
