¹ Includes persons who have attended courses at postsecondary institutions and who may or may not have a high school graduation certificate. Excludes persons with a postsecondary certificate, diploma or degree. Since 1981, 'postsecondary' refers to years of schooling completed at university or at institutions other than a university, a secondary (high) school or an elementary school. Examples of postsecondary institutions include community colleges, institutes of technology, CEGEPs, private trade schools, private business colleges and schools of nursing.

² Referred to as 'Other non-university certificate or diploma' in previous censuses, this sector includes non-degree-granting institutions such as community colleges, CEGEPs, private business colleges and technical institutes.
