Population in collective dwellings $\frac{5}{2}$	510	510	760	540	675	560	825	N

# Note(s) :

#### 1. 1971

1371

In 1971, data for collective dwellings and population in collective dwellings are aggregated for the Yukon and the Northwest Territories and shown for the Northwest Territories only.

#### 2.

## Occupied private dwellings

In 1971, the difference between counts for occupied private dwellings and private households is due to the exclusion of dwellings occupied by households outside Canada from the occupied private dwellings count and their inclusion in the private households count. However, in 1976, 1981, 1986, 1991, 1996, 2001 and 2006, households outside Canada and their dwellings are excluded from both counts.

## 3.

### Private households

In 1971, the difference between counts for occupied private dwellings and private households is due to the exclusion of dwellings occupied by households outside Canada from the occupied private dwellings count and their inclusion in the private households count. However, in 1976, 1981, 1986, 1991, 1996, 2001 and 2006, households outside Canada and their dwellings are excluded from both counts.

#### 4.

#### **Collective dwellings**

In 1971, data for collective dwellings and population in collective dwellings are aggregated for the Yukon and the Northwest Territories and shown for the Northwest Territories only.

#### 5.

### Population in collective dwellings

In 1971, data for collective dwellings and population in collective dwellings are aggregated for the Yukon and the Northwest Territories and shown for the Northwest Territories only.

# 📤 Data quality note(s)

• Data quality index showing, for the long census questionnaire (20% sample data), a global non response rate higher than or equal to 5% but lower than 10%.
