Note(s) :

- 1971**

In 1971, data for collective dwellings and population in collective dwellings are aggregated for the Yukon and the Northwest Territories and shown for the Northwest Territories only.
- Occupied private dwellings**

In 1971, the difference between counts for occupied private dwellings and private households is due to the exclusion of dwellings occupied by households outside Canada from the occupied private dwellings count and their inclusion in the private households count. However, in 1976, 1981, 1986, 1991, 1996, 2001 and 2006, households outside Canada and their dwellings are excluded from both counts.
- Private households**

In 1971, the difference between counts for occupied private dwellings and private households is due to the exclusion of dwellings occupied by households outside Canada from the occupied private dwellings count and their inclusion in the private households count. However, in 1976, 1981, 1986, 1991, 1996, 2001 and 2006, households outside Canada and their dwellings are excluded from both counts.
