For Qeqertarsuaq in 1996-2001 no information on Old-age pension exists.
The 'total' given does not always equal the amount you get from adding the numbers for each municipality
This is due to the fact that persons who have received social welfare in more than one municipality
only figures one time in the total, even though the person figures in all of the relevant municipalities.
Due to rules of discretion only cells with more than three persons is stated. Cells with less than three
persons is denoted by the signatur '.,'
