Footnotes:

1. The procedure used to classify the expenditures of provincial and territorial general governments and health and social service institutions to the functions Health and Social Services and their sub-functions changed commencing in 1997/1998. Therefore, the data for these functions, for years prior to 1997/1998 are not comparable.
2. Starting in 2000/2001, revenues and expenditures of the health and social services institutions for Nunavut are included with the provincial and territorial general government.
3. Data may not add to the total due to rounding.
