*) Region is not exactly the same as Pohjois-Pohjanmaa nowadays

2. Life expectancy has not been calculated regularly for the regions.

1. 1971-1975 and 1976-1980: During this time Pohjois-Pohjanmaa region and Kainuu region consisted together the Province of Oulu

3. For the years 1961-1965 (5-year period!), 1971-1975 and 1976-1980, Lappi region (Lapland) is comparable for all years but Kainuu and Pohjois-Pohjanmaa (Kainuu and North Ostrobothnia) are not fully comparable.
