Finnmárku																	

¹ Adjusted gross operating expenditures include operating expenditures on the county's own service production together with writing off. Double-entry book-keeping due to further distribution of expenses and internal purchase are deducted.

² The number of pupils are converted into the extent of the pupils' participation in the courses, and are also converted by 7/12 of last school year and 5/12 present school year to correspond to the financial year.

³ National level courses are not included.
