Employed. Persons are classified as working if they worked one hour or more in the reference week or were absent from the work they usually carry out. Individuals on birth leave are considered absent from work if they went on leave from a paid job, even if they have no intentions of returning to the same job.

Economic activity. The economic activity of the firms for which people work or were last working for is classified in accordance with the Icelandic classification of economic activity, ÍSAT 2008, which is built on the EU classification of economic activity, NACE REV 2.

Regions. The capital region consists of Reykjavík, Seltjarnarnes, Kópavogur, Hafnarfjörður, Garðabær, Mosfellsbær, Álftanes and Kjósahreppur other are considered to be other regions.
