Family households:	21,090
Husband-wife family	10,833
Other family:	10,257
Male householder, no wife present	3,448
Female householder, no husband present	6,809
Nonfamily households:	9,252
Householder living alone	7,210
Householder not living alone	2,042

NOTE: A household that has at least one member of the household related to the householder by birth, marriage, or adoption is a "Family household." Same-sex couple households are included in the family households category if there is at least one additional person related to the householder by birth or adoption. Same-sex couple households with no relatives of the householder present are tabulated in nonfamily households. Responses of "same-sex spouse" were edited during processing to "unmarried partner." "Nonfamily households" consist of people living alone and households which do not have any members related to the householder.
