Traditional (Aboriginal) Spirituality	135	70	65
Other religions	85	35	45
No religious affiliation	4,100	2,170	1,930

Footnotes

⁵⁵ Religion refers to the person's self-identification as having a connection or affiliation with any religious denomination, group, body, sect, cult or other religiously defined community or system of belief. Religion is not limited to formal membership in a religious organization or group. Persons without a religious connection or affiliation can self-identify as atheist, agnostic or humanist, or can provide another applicable response.
