Below are listed the reasons people mentioned for not seeking a doctor or dentist even though they needed their service:

- 1: Could not afford
- 2: Waiting list
- 3: Did not have time because of work or personal matters
- 4: Too far to travel or lack of communication
- 5: Fear of dentists, doctors, hospitals, medical treatment or examination
- 6: Wanted to wait and see if the problem would go away
- 7: Did not know about a good doctor or specialist
- 8: Other reasons

Results for unmet need for medical visits are not shown for the period 2004-2006 due to issues of comparability to later data.
