Respondents were asked about chronic conditions and limitations in usual activities. The question on chronic condition is the following: Do you have any long-term condition or health problem. By long-term we mean an illness or health problem that has lasted or is expected to last for six months or longer. 1. Yes. 2. No.

If yes, then respondents were asked: Would you say that these limitations were severe? 1. Yes, severe. No, not severe.

According to Eurostat the year in the table refers to survey year, the year the survey is conducted. Information on income come from the tax records the year before.
