The category 'Non-official languages spoken' represents the sum of single language responses and multiple language responses received in the National Household Survey. Hence, this total is greater than the total population.
- 37 Cree languages include the following categories: Cree not otherwise specified (which refers to those who reported 'Cree'), Swampy Cree, Plains Cree, Woods Cree, and a category labelled 'Cree not included elsewhere' (which includes Moose Cree, Northern East Cree and Southern East Cree).
- 38 This is a subtotal of all Aboriginal languages collected on May 10, 2011 that are not displayed separately here.
