These statistics apply the regional division of 1 January 2019 to the whole time series.

Family type: Without children refers to a couple that has never had children or whose children no longer live with their parents. For data protection reasons, same-sex married couples and couples in registered partnerships are classified in municipal tables together with opposite-sex married couples.

Married couple with children: Married couple with children includes not only couples with common children but also couples whose children are not common. For data protection reasons, same-sex married couples and couples in registered partnerships are classified in municipal tables together with opposite-sex married couples.

Cohabiting couple without children: Cohabiting couples are formed from persons of opposite sexes aged 18 or over without partners living permanently in the same apartment if their age difference is under 16 years and they are not siblings. If the couple has a common child, the age limits do not apply. Persons of the same sex living together are not inferred as a cohabiting couple.

Cohabiting couple with children: Cohabiting couple with children includes not only couples with common children but also couples whose children are not common.
