The gainfully employed population comprises any person who has worked for at least one hour per week during the month of November. Those temporarily absent during the survey period, for instance due to sick leave, are also included.

From the 1993 survey, the way of define gainfully employed has been modified compared to previous editions. This affects comparisons in the past. For more information about the new definition and its consequences, there is a description in Swedish at our homepage www.scb.se/rams
region: A new regional division from 1998-01-01. The county of Göteborg and Bohus (code 14), the county of Älvsborg (code 15) and the county of Skaraborg (code 16), except the two municipalities Habo and Mullsjö, forming the county of Västra Götaland (code 14). The the two municipalities Habo and Mullsjö transferred to the county of Jönköping (code 06). The municipalities in the former county of Göteborg and Bohus maintain their codes while the other municipalities get new codes.
