¹ The definition of the different levels of education used in statistics on the population's educational levels where changed in 2006. The 2006 definition of level of education are used as the basis for all years.

² Discrepancies in the figure from earlier publications are due to corrections of the data.

³ Does not include persons with unstated or incompleated education.

⁴ Includes intermediate level courses based on completed upper secondary level, but which are not accredited as tertiary education.

⁵ Tertiary education level, short comprises higher education of up to 4 years' duration.

⁶ Tertiary education, long comprises higher education of more than 4 years' duration, and post-graduate research.

⁷ The area of activity of the Sami Parliament subsidy schemes for business development (STN). Based on the 2012 definition of the STN area.

⁸ Areas North of Saltfjellet outside the area of activity of the Sami Parliament subsidy schemes for business development (STN).
