Data quality: Whitehorse, City [Census subdivision], Yukon

- Global non-response rate (GNR), short-form census questionnaire: 5.1%
- Data quality index showing a short-form income non-response rate higher than or equal to 10%, but lower than 20%.
- Global non-response rate (GNR), long-form census questionnaire: 6.1%
- Data quality index showing a long-form income non-response rate higher than or equal to 10%, but lower than 20%.

Note(s):

163   Refers to whether a person aged 15 years and over was employed, unemployed or not in the labour force during the week of Sunday, May 1 to Saturday, May 7, 2016.

Early enumeration was conducted in remote, isolated parts of the provinces and territories. When enumeration has taken place before May 2016, the reference date used is the date on which the household was enumerated.

In the past, this variable was called Labour force activity.

164   Refers to the number of weeks in which a person aged 15 years and over worked for pay or in self-employment in 2015 at all jobs held, even if only for a few hours, and whether these weeks were mostly full time (30 hours or more per week) or mostly part time (less than 30 hours per week).

165   Includes persons aged 15 years and over who never worked, persons who worked prior to 2015 and persons who worked in 2016, but not in 2015.

166   Includes persons aged 15 years and over who worked full year (49 weeks and over) and mostly full time (30 hours or more per week) in 2015.

167   Includes persons aged 15 years and over who worked full year mostly part time or part year mostly full time or part year mostly part time in 2015. Part year is less than 49 weeks and part time is less than 30 hours per week.

168   Class of worker refers to whether a person aged 15 years and over is an employee or is self-employed.

169   Includes unemployed persons aged 15 years and over who have never worked for pay or in self-employment, or who had last worked prior to January 1, 2015.

170   Includes the experienced labour force which refers to persons aged 15 years and over who, during the week of Sunday, May 1 to Saturday, May 7, 2016, were employed and the unemployed who had last worked for pay or in self-employment in either 2015 or 2016.

171   Includes persons aged 15 years and over with or without an incorporated business with paid help or without paid help, as well as unpaid family workers.

172   Refers to the kind of work performed by persons aged 15 years and over as determined by their kind of work and the description of the main activities in their job. The occupation data are produced according to the NOC 2016.

173   Refers to the general nature of the business carried out in the establishment where the person worked. The data are produced according to the NAICS 2012.

174   Classification of respondents according to whether they worked at home, worked outside Canada, had no fixed workplace address or worked at a specific address (usual place of work).
