### Footnote(s)

- <sup>1</sup> Users should be aware that the estimates associated with this variable are more affected than most by the incomplete enumeration of certain Indian reserves and Indian settlements in the Census of Population.

For more information on Aboriginal variables, including information on their classifications, the questions from which they are derived, data quality and their comparability with other sources of data, please refer to the Aboriginal Peoples Reference Guide, Census of Population, 2016 and the Aboriginal Peoples Technical Report, Census of Population, 2016.

- <sup>2</sup> Residence on or off reserve refers to whether the person's usual place of residence is in a census subdivision (CSD) that is defined as 'on reserve' or 'off reserve.'

Users should be aware that the estimates associated with this variable are more affected than most by the incomplete enumeration of certain Indian reserves and Indian settlements in the Census of Population.

For more information on Aboriginal variables, including information on their classifications, the questions from which they are derived, data quality and their comparability with other sources of data, refer to the Aboriginal Peoples Reference Guide, Census of Population, 2016 and the Aboriginal Peoples Technical Report, Census of Population, 2016.

- 3 Users should be aware that the estimates associated with this variable are more affected than most by the incomplete enumeration of certain Indian reserves and Indian settlements in the 2016 Census of Population. For more information on Aboriginal variables, including information on their classifications, the questions from which they are derived, data quality and their comparability with other sources of data, refer to the Aboriginal Peoples Reference Guide, Census of Population, 2016 and the Aboriginal Peoples Technical Report, Census of Population, 2016.
- 4 'Aboriginal identity' includes persons who are First Nations (North American Indian), Métis or Inuk (Inuit) and/or those who are Registered or Treaty Indians (that is, registered under the Indian Act of Canada) and/or those who have membership in a First Nation or Indian band. Aboriginal peoples of Canada are defined in the Constitution Act, 1982, section 35 (2) as including the Indian, Inuit and Métis peoples of Canada.
- 5 'Single Aboriginal responses' includes persons who are in only one Aboriginal group, that is First Nations (North American Indian), Métis or Inuk (Inuit).
- 6 Users should be aware that the estimates associated with this variable are more affected than most by the incomplete enumeration of certain Indian reserves and Indian settlements in the 2016 Census of Population. For additional information, refer to the Aboriginal Peoples Reference Guide, Census of Population, 2016.
- 7 'Multiple Aboriginal responses' includes persons who are any two or all three of the following: First Nations (North American Indian), Métis or Inuk (Inuit).
- 8 'Aboriginal responses not included elsewhere' includes persons who are not First Nations (North American Indian), Métis or Inuk (Inuit), but who have Registered or Treaty Indian status and/or Membership in a First Nation or Indian band.
- 9 For more information, refer to the Census Dictionary: Census family; Stepfamily status of couple family with children; and Relationship structure of stepfamily.
- 10 One or more grandparents of the child may also be present in the household.
- 11 In an intact family, all children are the biological or adopted children of both persons in the couple. This category also includes children living in census families for whom it cannot be determined whether it is an intact family or a stepfamily.
- 12 In a complex stepfamily, some or all of the children are step-siblings or half-siblings.
- 13 In a simple stepfamily, none of the children are step-siblings or half-siblings.
- 14 In a complex stepfamily, some or all of the children are step-siblings or half-siblings.
- 15 One or more grandparents of the child may also be present in the household.

### Data quality note(s) – Yukon

- **Incomplete enumeration flag**  
Default. Not applicable.
- **Long-form data quality flag**  
Global non-response rate (GNR), long-form census questionnaire: 6.8%.
- **Long-form income data quality flag**  
Data quality index showing a long-form income non-response rate higher than or equal to 10%, but lower than 20%.
