- .. not available for a specific reference period
- ... not applicable
- x suppressed to meet the confidentiality requirements of the *Statistics Act*
- F too unreliable to be published

Footnote(s)

- 1 In order for any person to have children in their census family, the person's child or children must be living in the same household and must not be living in a couple or with their own children. For more information, refer to the Census Dictionary: Census family.
- 2 Every married or common-law couple living together in a private household is in a census family together.
- 3 For more information, refer to the Census Dictionary: Household living arrangements of person not in a census family.
- 4 Includes foster children aged 15 years and over.

Data quality note(s) – Yukon

- **Incomplete enumeration flag**
Default. Not applicable.
- **Short-form data quality flag**
Global non-response rate (GNR), short-form census questionnaire: 6.7%.
- **Short-form income data quality flag**
Data quality index showing a short-form income non-response rate higher than or equal to 10%, but lower than 20%.
