Footnote(s)

- 1 Users are advised to consult data quality comments for 'Highest certificate, diploma or degree,' available in the Education Reference Guide, Census of Population, 2016, Catalogue no. 98-500-X2016013.
- 2 'Secondary (high) school diploma or equivalency certificate' includes only people who have this as their highest educational qualification. It excludes persons with a postsecondary certificate, diploma or degree.
- 3 'Apprenticeship or trades certificate or diploma' includes Certificates of Apprenticeship, Certificates of Qualification and Journeyperson's designations, as well as other trades certificates or diplomas such as pre-employment or vocational certificates and diplomas from brief trade programs completed at community colleges, institutes of technology, vocational centres and similar institutions.
- 4 'University certificate, diploma or degree above bachelor level' includes the categories 'University certificate or diploma above bachelor level,' 'Degree in medicine, dentistry, veterinary medicine or optometry,' 'Master's degree' and 'Earned doctorate.'
- 5 In order for any person to have children in their census family, the person's child or children must be living in the same household and must not be living in a couple or with their own children. For more information, refer to the Census Dictionary: Census family.
- 6 Every married or common-law couple living together in a private household is in a census family together.

Data quality note(s) – Yukon

- **Incomplete enumeration flag**
Default. Not applicable.
- **Long-form data quality flag**
Global non-response rate (GNR), long-form census questionnaire: 6.8%.
- **Long-form income data quality flag**
Data quality index showing a long-form income non-response rate higher than or equal to 10%, but lower than 20%.
